## Rwanda

HSI recently accepted a project based in Rwanda. The project involves audio and video training and production for television and radio. The goal of the project is to produce programs that will touch the Great Lake areas with the gospel. This area includes countries such as DR Congo, Rwanda, Uganda and Burundi. It will take time to plan and then implement the project in partnership with the local people. Please pray as we prepare and plan.

### How to pray...

We are blessed to have a Director of Prayer who coordinates prayer concerns for HSI. If you would like to pray for the ministry of HSI please contact us. [pray@heart-sounds.org](mailto:pray@heart-sounds.org)
